The weather has been great making outdoor dining especially enjoyable ... today's photo shows the doors open for those at Soby's to enjoy the evening while enjoying food, drink, and company.

Connie & Denton,

Thanks for the lovely photo of Soby's, with the front doors open for evening dining! The weather has been great for al fresco meals on Soby's patio or sitting in in the bar, near the open doors, just watching Greenville go by. :-)

Love the site, congratulations. And your enthusiasm for downtown Greenville is wonderful. Come see us again soon.

Richard
